Dear Sir or Madam

Re: Application for the post of staff

Having heard your information, I'd like to apply for a staff, in your organization based in Samrong – Oddar Meanchey. In the responses to announcement, I would like to inform you, that I'm really interested in that work.

These days, I've been working as a staff at Ya Net Guesthouse, based in O Kanseng Village, Sangkat Samrong, Samrong Municipality, Oddar Meanchey province. I am also a first year student of Information Technology, but I only study Saturday-Sunday. So I have free time on Monday to Friday and I tried hard to look for one more job, which get me more experience and earn some money to support my studying. And especially, I want to be a part of your organization to grow. According to my work experience I hope that you'll allow me to.

All of all, I'm looking forward to hearing good information from you in the near future. Please receive me as your staff. I promise to work hard for your organization in order to attain your organization's objectives successfully.

Date: 01 March 2022

Your sincerely,

Mr. Phon Borin
